

DONATIONS FOR GILL FAMILY OF 6 ADULTS - AS OF 6/02/19

Any household goods, gently used, clean and in working order, are very welcome.

We do not collect clothing at this time since we don't know the sizes needed. We will make note of the type of clothing that is preferred. If you have clean, gently used clothes to give away, they will be passed on to the Ontario Federation of Cystic Fibrosis.

Until mid-June, all donations can be stored in the small room behind the kitchen **at Christ our King Lutheran Church in Mississauga**. If you have larger items (mattresses, furniture, etc.) please do not bring them but let me know that they are available.
